Unit 4 · Session 4 · SLO 1 — Solved Worksheet

Name: AKARSH MURALI AKARSH MURALI | **Reg. No:** RA2511030010067

Unit – 4 : Session – 4 : SLO – 1 | Logic Programming and Key Constructs

I. Fill in the Blanks

1. facts and rules are written using predicates (clauses) and terms — i.e. Horn clauses made of a head predicate and argument terms.
2. period (.) — every Prolog query (and clause) is terminated by a full stop.

II. Programming Task

- Fact: father(ram, ravi). % Ram is the father of Ravi
- Rule: parent(X, Y) :- father(X, Y). % X is a parent of Y if X is the father of Y
- Query: ?- father(ram, ravi). % → true
