Unit 2 · Session 11 · SLO 1 — Solved Worksheet

Name: AKARSH MURALI AKARSH MURALI | **Reg. No:** RA2511030010067

Unit – 2 : Session – 11 : SLO – 1 | Interfaces

■ Activity – Match the Following (Answers)

• interface Engine { void start(); } → Interface declaration
• class Car implements Engine → Class implementing an interface
• public void start() { System.out.println("Start!"); } → Method overriding (implementing the interface method)
• Engine e = new Car(); e.start(); → Polymorphism via interface
• class Phone implements Camera, GPS {} → Implements multiple interfaces
